

## POABRIB FULL

### Description

#### Poabrib FULL

Poabrib FULL is high quality, ready for use, decorative liquid mortar, and easy to apply, which is used for internal and external surfaces. The base must be intense, smooth, clean of dust, and not frozen. It is laid with a steel tool, with a thickness the same as the largest granulation. It is processed with the plastic tool while the laid material is humid. The final product, which is already applied, is strong, waterproof, and water resistant and it is not influenced from atmospheric conditions.
